

**Brett S. Carlson**  
Founder & CEO  
Eir Partners

Brett is the founder of Eir Partners, an investment company focused exclusively on healthcare technology. Eir Partners has deployed or partnered on over \$5.0 billion in transactions across 8 platform investments. Representative investments include CloudMed, Millennia, Equian, Convey Health, Signify Health, among others. Eir Partners was the founding investor operators at CloudMed Solutions growing that company over 100X since 2016. Brett currently sits on the board of Directors at Ontario Systems, Healthcomp, CloudMed Solutions, Millennia, Caryn Health and Acuity Eye Specialists. Prior, Brett was the Chief Executive Officer at iVantage Health Analytics, a healthcare data analytics company and a principal at Great Point Partners, LLC, a health care focused investment firm responsible for their technology, tech enabled and payer services investing effort. He is a former Director at Signify Health (NYSE: SGFY), Citra Health Solutions and Connecture (Nasdaq: CXNR). Brett holds a Bachelor of Arts from the University of Pennsylvania.
