

Christy Lee

General Counsel, Director of Compliance
Auxiant

Christy joined the leadership team at Auxiant, an Independent TPA with a long history of providing unique value to clients nationwide, in 2018. She has been a key contributor to Auxiant's growth and works closely with vendor, broker, and client partners. Her priority is ensuring Auxiant guides its clients with ease through the many industry changes and requirements. She leads the compliance and plan document teams, driven by Auxiant's values of expert guidance, transparency, and flexibility. The Auxiant team works with clients to manage health care costs and design best-in-class health benefit plans – the results of which are exhibited by its clients' flat claims trend over the last 5 years, dramatically outperforming industry averages. Prior to joining Auxiant, Christy gained extensive experience across varied parts of the healthcare financing and regulatory spaces, including nearly a decade serving government health programs at the U.S. Department of Health and Human Services, most recently focusing on building public-private partnerships.
